

## **ANGLIA RUSKIN UNIVERSITY**

### ***Submission Deadlines***

Learning and teaching periods are standardised across Anglia Ruskin and its Associate Colleges (franchised delivery) in the UK and overseas - see [www.anglia.ac.uk/newltps](http://www.anglia.ac.uk/newltps) for more information. It is therefore essential that the marking and moderation processes are completed in time to ensure that the outcomes can be considered by the appropriate Departmental Assessment Panel (DAP).

Therefore, the dates that can be set by Module Leaders for submission deadlines in each period (Semester or Trimester) are detailed below. Earlier deadlines can be set for taught modules (not Major Projects) but later deadlines are not permitted. Deadline dates are also provided for the corresponding resit periods. These dates must be set by the DAP when agreeing a student requires re-assessment.

The full academic calendar for each academic year is available at [www.anglia.ac.uk/calendar](http://www.anglia.ac.uk/calendar).

<sup>2</sup> For HSCE only – deadlines for the special periods SEM1X and SEM2X are as detailed above for Semester 1 and Semester 2 respectively.
