

## ONLINE REGISTRATION

For the majority of courses students are now able to register with Anglia Ruskin *before* arrival on campus. This can be done from anywhere in the world via the Internet.

### Why register online?

- To speed up your registration process.

### Why register online *before* you arrive to start your course?

- To enable us to produce your student card ready for your arrival (don't forget to upload or email your passport photo to [studentID@anglia.ac.uk](mailto:studentID@anglia.ac.uk) ).
- To enable your access to Anglia Ruskin facilities on arrival.
- To access your online Timetable. In most cases you need to have been registered 3 days before you can see your timetable. You can find the link via your e:Vision account.

### How do I register online?

- You need to access the Anglia Ruskin Student Web portal (known as e:Vision) at: <https://e-vision.anglia.ac.uk>
- **Your login details (user name and password) are on your Personalised Welcome letter which will be emailed to you by your Admissions Officer.**
- To register you must complete the registration task that is on your e:Vision account. Once you are in e-vision you need to click on the 'Register online' link. Once you have completed the registration task useful information/web links will appear.

### Registration – Part 2 Tier 4 Visa Requirements

Due to the requirements of the UK Border Agency you must complete a second part to the registration process.

Once you have registered online you must, once on campus, go to our Information Centre, called the iCentre, and show your passport and visa. Until we have a copy of your visa your registration will not be complete.

Details of the location of the iCentre's can be found at:  
[www.anglia.ac.uk/internationalarrivals](http://www.anglia.ac.uk/internationalarrivals)

### Useful email addresses

(please quote your Student ID number, your Course and the Campus you will be studying at on any correspondence)

### Log in problems with e:Vision
